The Carty Family Summer Prayer Guide 2015

We are preparing to begin our fourth summer serving here in San Vito and in the Coto Brus Guaymi territory. We are thankful for all we have been allowed to be a part of and look forward to what God has for us over the next few months. Please join us in praying for each of these things over the summer months.

The Guaymi Reservation - Limoncito de Coto Brus:

- Please pray for physical and spiritual protection for each of the communities
- Pray for God's truth to prevail despite the presence of several cults and incorrect teaching from other groups
- Pray for each of the villages and their people
  - Betania Arriba • Betania Abajo • Betania Adentro • Coopey Arriba • Coopey Abajo • Caño Bravo • La Casona • Pita • Palacios • Altuñon • Murusara • Brus Malis

The Guaymi People

- Pray for each person who will hear of Christ's redeeming love and His desire to rescue them.
- Pray for the Holy Spirit to move amongst the people.
- Pray their hearts would be soft and their eyes would be opened by the Holy Spirit.
- Pray they would have the courage to step out and confess their faith in Jesus Christ.
- Pray for the understanding that Jesus Christ is the ONLY way to God and salvation, that there are NO other options.
- Pray for the community of believers that is now present in each village to make a public stand for Christ and share with their families and neighbors.
- Pray for a hunger for God's Word.
- Pray against passivity in their relationship with the Lord.
- Pray for the indigenous pastors and their churches. Pray they will follow the Holy Spirit's leading and be able to reach the people of their communities. They know better than anyone what these people face.
- Pray for continued healing in relationships between the Guaymi and Costa Ricans

Teams coming to work with the Guaymi

- Please pray for each of the churches in the States with which we are partnered and the people from each of these churches who will visit this summer; Southside Baptist, Hillcrest Baptist, GrandParkway Baptist, and Towne North Baptist, as well as several other groups.
- Pray for them as they prepare for their trips, spiritually, physically, and mentally.
- Pray they will be open to all God desires to teach them as they follow Him in obedience.
- Pray for opportunities to share Christ on every step of their journey.
- Pray for willing and serving hearts that are ready to embrace not just one, but two different cultures (Costa Rican and Guaymi)
- Pray for financial provision for each person that is to come. Pray that money not be an obstacle.
- Pray for blessing over the people who will make their trips possible.
- Pray for protection of their families that remain in the States. Satan likes to attack on all sides when we are doing the work of the Father.
- Pray each team member would remain healthy during their time here and once they return home.
- Pray for life changing experiences and growth in their walk with Christ. Pray they take what they have done here and continue it in their own communities.

For us, personally

- Pray for continued financial provision for our needs. The summer months continue to be the slimmest.
- Continue to pray for our residency process. It is PAINFULLY slow and we are trying to be patient.
- Pray for rest, strength and stamina to make it through this very busy season. Pray our downtime will be strengthening and will provided what our bodies need, physically and mentally.

Thank you for praying as the Lord leads for all He has planned this summer! We love you and appreciate all you do for our ministry! ~The Carty Family"
